

Final Projects Report Titles 2008 - 2015

Master of Integrated Water Management (MIWM)

- S. Abouheikal, 2014 Lack of Shared Problem Definition (Case Study: Eastern Nile Basin Conflict)
- A. Acuna, 2013 Vulnerability and Adaptation to Climate Change Impacts: A Case Study of the Fitzroy Basin, Australia
- A. Adamu, 2012 Identification of Key Issues in Delivering Fit for Purpose Water Services to Remote Indigenous Communities: Evaluation of Performance of Water And Waste Water Management Service Providers for Remote Indigenous Communities in Queensland, Australia
- J. Akuno, 2014 Quantifying the Future Energy Consumption of WWTPs
- A. Ali, 2014 Soil Amendment, An IWM Collaborative Project, Peel Harvey Catchment Western Australia
- T. Alletson, 2012 An Integrated Water Resource Management and Risk Based Approach to Water, Sanitation and Hygiene on Mbathakana Island.
- B. Andrade, 2009 Engaged or disengaged? Bringing Motivations and Emotions into the Study of Multi-stakeholder Platforms for Integrated Catchment Management: A case study of Multi-stakeholder Platforms in the Pumicestone Region Catchment, Queensland, Australia
- R. Apunyo, 2010 Influence of Sanitation Policies On Sanitation Coverage In Uganda: A Case Study Of Latrine Provision In Kumi District Decentralized Local Government
- A. Auckenthaler, 2013 Domestic Private Sector Participation in Water Supply Services: Case study in Benin and Bangladesh
- A. Bansuan, 2012 Sustainable mine water management in Philippine watersheds
- P. Bednarz, 2011 SOPAC's Junior Professional program in Vanuatu: Fostering cross-sectoral approaches to water & sanitation in a Pacific Island Country
- C. Best, 2013 Stormwater Harvesting: Screening Council Assets for Profitable New Schemes in Brisbane
- M. Bonetti, 2011 Learning Alliance approach and Diffusion of Innovations
- L. Bouchet, 2010 Pacific Islands Applied Geo-science Commission: Assessing Vulnerability Of Shallow Groundwater Domestic Wells In Nauru
- F. Bouckaert, 2013 A comparative analysis of the Yellow River, China and the Murray-Darling Basin, Australia: an ecosystem services valuation approach to address ecological restoration of rivers.
- T. Bowling, 2012 "A tray full of money is not worth a mind full of knowledge": taking outcomes to impacts - the art of integrating WASH and nutrition in resettled villages in the Lao PDR
- G. Bradfield, 2012 Integrated Water Resources Management And Adaptive Environmental Management: Managing The Impacts Of The Coal Seam Gas Industry On The Great Artesian Basin

- C. Brieva, 2013 GIS Based Approach for Determining Arsenic Impacts on the Safety of Drinking Water Supplies in the Tablelands Regional Council
- M. Brown, 2013 Community Water Management: What's in It for Women? A case Study in Rural Timor-Leste
- M. Brusher, 2014 Understanding the Drivers of Melbourne's Transition Toward a Water Sensitive City
- K. Burns, 2013 The role of community participation in Australian urban water management
- K. Burry, 2009 Risk Communication Tools and the Sustainable Management of on-site Wastewater Treatment Systems in South East Queensland
- N. Cammerman, 2009 Integrated Water Resource Management and the Water, Energy, Climate Change Nexus: A Discussion Report
- B. Cartwright, 2015 Improving Accountability in Water and Sanitation Service Provision in the Context of WaterAid's Work in Nepal
- A. Caunt, 2014 Merging the Waters - Business Case for a Regional, Urban Water Utility in Greater Bunbury, Western Australia
- H. T. A. Chan, 2015 Applying the South East Queensland Healthy Waterways Model in Pearl River Delta, China - A Business Case Approach
- V. Chan, 2013 Rural Sanitation Scale up in Cambodia: Key Factors for Latrine Uptake in Sanitation Marketing Program
- T. Chase, 2013 Raja Ampat: An IWRM Approach to Ecotourism, Conservation and Community Development in Indonesia
- C.-C. G. Chen, 2012 Chepang livelihoods and Development - Participant Observation in an Agro-Biodiversity Conservation project with a local NGO, RIMS Nepal, in Dhading district, Nepal
- S. Cleary, 2013 Community water governance, management and participation in Ambrym, Vanuatu
- M. Colombatti, 2014 Assessing Decentralised Water Supply Schemes within Brisbane and South East Queensland
- V. Copa Torrez, 2014 The Integration of the Traditional Iwi Maaori and Western Science (Freshwater) Knowledge in the Co-management of the Lower Waikato River Catchment
- R. Corcino, 2012 Transitioning Towards a Livable City: Davao City's Path for Urban Water Security
- R. Correa, 2015 Mine Water Supply Vulnerability and Adaptation under Climate Change Scenarios: A Case Study in Central Chile
- R. Cottingham, 2011 Faecal sludge management in Maputo, Mozambique – facilitating sustainable improvements through small private enterprise
- D. Cousineau, 2009 Determining Demand to Sell Sanitation: arousing the suppressed toilet desires of rural Cambodia

- C. Davidson, 2010 Water and Gender in the Middle East: A Case Study in Bedouin Communities of Israel, Jordan and the West Bank
- J. Diner, 2012 Together Addressing Climate Change: How an Integrated Water Resource Management Perspective can Strengthen the Delivery of a Community Based Adaptation Project in Rural Cambodia
- J. G. Dorce, 2014 Adoption of Efficient Water Use, Best Soil Management Practices and Sustainable Mango Farming System to Recover Environmental Assets in Centre-North of Haiti
- C. Dorji, 2014 Sustaining Urban Water Supply: A Feasibility Case Study on Harvesting Rainwater in Motithang, Thimphu, Bhutan in Addition to River Water
- E. Engelbert, 2012 Residential Water Use Demand Management: A Study From Queensland
- M. Faridy, 2010 Determining the Impact of Climate Change on Water Resources in Coastal Areas of Bangladesh: A Community Based Approach
- Fatmawati, 2014 The Improving the Role of Local Government in Managing Water Utility Towards Effective Water Governance
- F. Firmansyah, 2014 An Approach for Incorporating Risks When Developing Portfolios of Investments in Pollution Offsets
- J. Forster, 2011 Integrated Policy - Disintegrated Practice - A Livelihoods-policy-interplay analysis (LPIA) of IWRM Implementation in the Crocodile (West) Marico Water Management Area in South Africa
- V. Gallardo, 2015 Current practices of animal farming, community habits and water scarcity. A different approach for the global water issues
- P. Garde, 2011 Water Pollution Control in Colombia, the Upper Cauca River Basin: Identifying Avenues for Improvement
- K. Glanville, 2013 Review of Water Resource (Burnett Basin) Plan 2000 and Resource Operations Plan
- P. Godwin, 2012 Is there potential to strengthen integrated catchment management with integrated traditional and scientific knowledge in the Kambaniru River Catchment, Sumba Timur?
- L. Gould, 2013 Analytical Case Study of a Large Scale Riparian Rehabilitation Project from an IWRM Perspective - Boorowa River Recovery
- J. Grinter, 2014 Working with Uncertainty in Queensland's Coal Seam Gas Industry
- V. Guezingar, 2011 Provision of drinking water to the capital of Peru, Lima: establishment of quality and environmental management in a new drinking water utility
- K. Hara, 2010 Nauru Integrated Water Resources Management Project: Wastewater Management Component - Feasibility Study
- D. Hearne, 2013 Examining the contribution of socio-technical approaches for improving decision-making in integrated watershed management: a case study from Davao, Philippines
- K. Hines, 2011 Implementing IWRM in the Pacific: Improving Demonstration Project Information Management

- S. Hinton, 2015 Application of Analytic Hierarchy Process for Optimal Decision Making in a Wastewater Management Options Assessment: A Case Study in Caboolture, Queensland
- V. Ho, 2011 National Water Outlook Development for the Cook Islands
- M. Hsu, 2013 The importance of understanding farmer values and interests in UK water planning
- R. Hunter, 2014 How can the Rapid Basin-Wide Assessment Tool (RSAT) play a role in bringing together polarised groups to improve multi-stakeholder dialogue between government and civil society?
- F. Ibun Murad, 2015 Salinity management in Black Snake Creek catchment: an examination of multi-scale collaboration in a peri-urban area
- R. Inguane, 2010 Political, Institutional and Socioeconomic Factors Constraining the Performance of Decentralized Water Management in Mozambique: from the Major Perspective of Government Water Functions (Staff)
- M. Intriago, 2014 Community-based Climate Change Adaptation in the Mun River Basin
- A. S. Jawad, 2013 Uncertainty in Environmental Models: A Case Study of River Murray Floodplain Inundation Model
- M. Johnston, 2012 Federated States of Micronesia: Development of National Water & Sanitation Policy
- M. Kalenga, 2012 Assessment of Water, Sanitation and Hygiene (Wash) in Malawi Primary Schools. Case Study of Blantyre State Primary Schools
- E. Kamanga, 2014 Water-related Health, Safety and Sanitation of Artisanal and Small-scale Miners and Affected Communities
- S. Karlesky, 2015 Tending the Gardens: Promoting Efficient Usage of Water Resources to Meet Irrigation Demand By Assessment of Water Management Practices in Brisbane City Community Gardens
- T. Kazunga, 2011 Provision of Water Supply and Basic Sanitation Approaches in Zambia's Unplanned Settlements: A Case of George Compound
- B. Kelsall, 2015 Ipswich City Council: A case study of the challenges associated with integration of social, economic and environmental values and waterway corridors
- A. Kengbanba, 2015 What stimulates hand washing among student children in Ubon Ratchathani? Lessons from Thailand
- T. Khanna, 2015 Decentralized Drinking Water Supply for Urban Poor in Delhi: an assessment of water ATMs
- S. Kies, 2014 Developing Managed Aquifer Recharge as a Water Management Tool for the Central Condamine Alluvium Aquifer
- S. King, 2015 How has urban metabolism been interpreted and communicated?
- B. Knaggs, 2010 Leptospirosis Mitigation through Water Sensitive Urban Design and Effective Waste Management in an Urban Context

- R. Kok, 2011 Integrated Biosolids Management Strategy Development: Specific Oxygen Uptake Rate (SOUR) Analyses for Assessing Sludge Stability
- P. Komolong, 2014 Water, Sanitation Hygiene (WaSH) Policy Development in Papua New Guinea
- A. Korn, 2012 Environmental Water Governance & the Commonwealth Environmental Water Holder: A Case Study of Environmental Water Governance in the Macquarie Valley
- L. Larroquette, 2012 Sparepart's management and marketing for gravity fed water systems in the district of Liquiça, Timor Leste for WaterAid Timor Leste
- T. C. Leemanonwarachai, 2012 The impacts of Pak Mun dam on women's roles and community based organization
- T. Leslie, 2012 Water Education Plan Scoping Study: Assessment of Water Education Activities in South East Queensland
- D. Lezcano, 2015 An assessment of environmental education for the protection and improvement of waterways and natural resources in two catchments of Brisbane City
- T. P. Lien, 2009 River Basin Organization Activity in Vietnam: Exploring a Way Forward for the Vu Gia - Thu Bon River Basin Coordinating Organization, Central Vietnam
- S. Liese, 2013 Engaging Peri-Urban Landholders in Sustainable Land Management
- S. P. Liu, 2012 Development of a Theoretical Framework for Integrated River Management of the Liao River Reserve in China
- W. H. K. Loh, 2015 Analytical Case Study of Aquifer Injection at Ironbark Tenement
- M. Low, 2011 Solomon Island Water Sanitation and Climate Outlook
- S. Lunau, 2014 Building the Capacity of Water Service Providers to Deliver Effective Drinking Water Quality Management Plans
- B. MacCarl, 2013 From Plump to Pump: Land, wealth and inequality in Nepal's groundwater development strategy
- D. Madrigal, 2015 Situation Analysis: Faecal Sludge Management in Costa Rican Informal Settlements
- S. Mallawaarachchi, 2013 How well do you know your Rainwater? Evaluating Knowledge, attitudes, and behaviours of rainwater use in South East Queensland
- A. Mariner, 2012 Water Resource Management in Samoa
- A. Martinez, 2011 Decentralized Wastewater Management Application, an IWM Project
- S. Masud, 2009 Monitoring and Evaluation in Managing Wetlands in the Murray and the Lower Murray Darling Basin - Practice and Possibilities
- A. Mawdesley, 2011 San Jose Watershed
- G. Mbugua, 2011 A Comparative Analysis Of Wastewater Treatment Systems In Nairobi And Brisbane

- H. Mbura, 2014 A Review of Water and its Related-Energy's Impact on Future Household technology: Recirculating Showers
- K. Meenan, 2014 Risk management of treated wastewater recycling schemes for non-potable uses in WA
- N. Miranda, 2014 Critical Review of the Goldfields Groundwater Management Plan, Western Australia
- V. Miranda, 2013 Fishing Agreements in the Lower Amazon Basin: Promoting Sustainable Development or Simply Securing Environmental Conservation?
- B. Mixap, 2015 Analysis of Strategies for Emerging Leaders in Lao PDR to achieve Integrated Urban Wastewater Management
- A. Moore, 2012 Developing Integrated and Sustainable Water Management Practices in the Coal Mining Industry with Potential Application to Broader Areas: a Queensland case study
- M. Moore, 2012 Blacktown City Council Water Sensitive Urban Design Audit Program Framework
- J. Mowat, 2014 Achieving integrated and sustainable outcomes through Ecological Restoration and Best Management Practice at Pine Rivers Wetland Reserve, SEQ
- N. Mthethwa, 2013 Assessing And Predicting Lengths Of Stream Ordered Waterways For The Umngeni Catchment, South Africa.
- C. Munyeshuli, 2012 Suitable Community Education Approaches for Tackling Water-Related Environmental Health Risks on North Stradbroke Island. A Case Study: One Mile Community
- J. Murta, 2010 The Challenge of Sustainable Rural Water Supply: A Case Study in East Timor
- S. Mwangi, 2011 Integrated Water Resources Management Approach to mitigation of water resources conflicts in Wasseges River Basin (Kenya)
- A. Mwenje, 2011 Payment For Environmental Services In Kenya: The Role of Water Resources Users Associations in Implementing PES
- C. Mzyece, 2013 The impacts of peri-urban property management planning on water quality in the Pullen Pullen catchment in South East Queensland
- F. Napica, 2013 Sustainable Water Management in the Mining Industry - Best Practice of Water Management in Australia Coal Mining to be Applied in Mozambique
- G. Ndagijimana, 2013 The Water Supply Situation in the Context of Integrated Water Management: Rwanda Case Study
- F. Nelligan, 2015 A critique and proposed enhancement of the Queensland approvals process for large-scale agricultural developments
- E. Newland, 2013 Designing a participatory report card process for the GEF Pacific IWRM Project
- H. Ngomuo, 2013 Evaluation of Water Education WATR7200 - Rural Thailand
- H. H. Nguyen, 2011 Integrating Sanitation Marketing into a National Program: a case study in Vietnam

- D. Nidderly, 2013 Using Fresh Water to Settle the Dust: A Case Study on the James Price Point LNG Proposal
- J. Nielsen, 2014 Sustainable Urban Water Management in Developing Cities: Practitioner Perceptions
- M. Nthara, 2012 Rainwater Harvesting For Portable Applications: Evaluation Of Point-Of-Use Water Treatment Devices For Roof Harvested Rainwater
- O. Nunez, 2013 Improving the engagement of the informal gold mining groups as part of the IWRM process in Ocona Basin-Arequipa, Peru
- I. Ochoa, 2013 Improving Human Resources Management in the Water, Sanitation and Hygiene Sector: Application of a competency-based approach
- F. O'Connor, 2014 Communicating Subsidiarity in Water Management
- T. O'Connor, 2015 Community Resilience and Integrated Water Management in the West Kimberley Region, Australia
- P. Orams, 2013 Water sensitive urban design in the Tweed - An analysis of the barriers and improvement opportunities for the incorporation of WSUD in the Tweed Shire area.
- P. Palmer, 2014 Exploring Sustainable Urban Water Management in Freetown, Sierra Leone
- S. Patschke, 2013 An examination of the appropriateness of stormwater offsets to protect waterway health in SEQ
- S. Patschke and E. O'Neill, 2013 Off the Hook?! An Examination of the Appropriateness of Stormwater Offsets in South East Queensland
- R. Paul, 2014 Assessment of Low Energy Water Supply Options for Bangalore and their Implementation Strategy
- A. Perez, 2015 Community Resilience and Integrated Water Management in the West Kimberley Region, Australia
- M. Phillip, 2013 National Outlook for water as a basis of IWRM Policy and Action (RMI)
- G. Porras, 2012 Developing a multi criteria analysis (MCA) for the evaluation of water sensitive urban design (WSUD) investment options
- J. Reid, 2014 An economic analysis of riparian vegetation restoration in South East Queensland
- B. Reutter, 2013 Quantification of the Water-Related Energy of the Commercial and Industrial Sectors of Queensland
- C. Rodriguez, 2013 Following the process: 12 years after planting can we see a change in water quality and macroinvertebrates composition in Echidna creek?
- A. Rojo, 2012 Using Integrated Resource Planning to promote sustainable urban water management practices in Mexico: A feasibility study of transferring successful Demand anagement Measures from South East Queensland to Tijuana

- M. Rokomatu, 2014 The Relationship Between IWRM and Resilience to Impacts of Floods on WASH in Communities in the Nadi River Basin
- C. Salencia, 2013 Rural Water Supply Sustainability in Mozambique
- P. San Martin, 2015 Using Indigenous knowledge as a tool for water management: Miskito people, Nicaragua
- B. Scott, 2012 An investigation of the potential impediments to transitioning to the use of Water Sensitive Urban Design (WSUD) practices in Southeast Queensland.
- J. Serrano, 2013 The Inclusion of Art in Social Movements to Protect Water and Natural Resources - Case Study: Northern Rivers Region vs Coal Seam Gas Industry
- T. Sheikh, 2015 Evaluation of Effects of Source Diversification, on Water And Energy Efficiency of an Urban Development Area, Using an Urban Metabolic Framework
- M. S. Shi, 2012 Risk Planning of Extreme Weather Events in the Queensland Coal Resources Sector: Lessons Learned from 2008 to 2011
- S. Shrestha, 2015 Sustainability of Small Scale Farmer Managed Irrigation systems in the hills of Nepal: Analysis from the Perspective of Integrated Water Resources Management
- H. Sipahutar, 2014 Improving Community Resilience to Natural Disasters through Integrated Coastal Wetlands Management
- K. Spooner, 2011 Implementing IWRM at Local Level: A Case Study of Ouargaye Commune, Burkina Faso. The Role of Institutions in the Implementation of IWRM
- E. Sulistiyowati, 2011 Surviving the Landfill of Yogyakarta: Scavengers' Stories of Hygiene Behaviours
- S. Sultana, 2012 Vegetated Stormwater Asset Management Guidelines for Ipswich City Council
- P. Svay, 2014 Evaluating A Rural Water, Sanitation and Hygiene Project In Northern Vietnam from An IWRM Perspective
- A. Swan, 2014 Northern Rivers Water Group Stakeholder Engagement Plan
- L. Taing, 2010 Improving Sanitation Delivery in South Africa: A Study of Institutional Constraints to the Management of the City of Cape Town Municipality's Informal Settlements
- E. Tarigan, 2015 Legitimacy and Influence: A Case Study of the Jakarta Water Resources Council (JWRC) In the Context of IWRM
- S. Tawaka, 2015 Evaluating Fiji's emerging Healthy Islands Framework: Is it effective in integrating WASH and environment management activities and outcomes
- B. Teirney, 2014 From Exclusion to Power: Community Participation to End Open Defecation in Salasar, India
- K. Tenzin, 2015 Bhutan's Rural Water Supply & Sanitation (RWSS): A study of challenges, effectiveness and best approaches

- C. Teutsch, 2011 Evaluating WASH Programmes in Schools: A critique of the Diagnosis methodology
- T. Thapa Magar, 2014 Improving Small-scale Farmer Managed Irrigation Systems (FMIS) in the Mid-hills of Nepal
- K. Tsushima, 2015 Production of Agricultural Biosolids Products by SEQ water utilities
- C. Upton, 2013 Looking Beyond Tradition: Assessing the Social Impacts of Piped Water in the Jaisalmer District, Rajasthan, India
- M. Valle, 2010 A Comparative Analysis of the Implementation of Environmental Flows in the Murray Darling Basin
- F. Vetillart, 2009 Water Management in Remote Aboriginal Settlements: A Participatory Framework
- M. Walker, 2015 The Value of Waterways is not Tangible: Monitoring Social Values via Integrated Water Management : An assessment of the Healthy Waterways Catchment Health Monitoring Program
- T. Wangchen, 2015 An Integrated Water Resource Management Approach to Irrigation Water Scarcity: A case of Phangyuel Geog in Wangdue Phodrang, Bhutan
- M. Welch, 2011 Integrated Water Management in Mining: A Peruvian Case Study to Assess the Opportunities and Limitations of Applying IWM Principles to Mining Sector Projects in Developing Countries
- J. West, 2014 An IWRM Approach to Good Governance - A Case study of the SEQ Water Irrigation Program
- C. Widyantari, 2015 Advancing Urban Water Management in Praya, Indonesia
- K. Widyaswari, 2015 The Performance Assessment of River Basin Council Focusing on the Brantas Water Council, Indonesia
- Y. R. Wu, 2014 Risk-Benefit-Cost Analysis for Optimisation of Asbestos Cement Water Pipe Renewal in Western Australia- An Integrated Decision Framework for Long Term Capital Investment
- Y. Y. Xu, 2013 Advanced Biotechnology in Coal Seam Gas Associated Water: Silica Management by Algae Interventions
- M. Yule, 2011 Application of a Salinity Risk Assessment to Assess the Feasibility of CSG Water Irrigation: A case study of the GLMG Roma Project Area
- Y. E. Zhu, 2015 Increasing Flood Resilience through Integrated Planning and Design of Flood Management Strategies
