

Towards sustainability in water, sanitation and hygiene

PROGRAM (as at 10/5/2011)

Conference Chair: Eddy Perez (WSP, World Bank)

MONDAY					
8:00	Registration				
9:00	Opening Plenary	A1	Clarissa Brocklehurst (<i>United Nations Children's Fund</i>) Dr Junaid Ahmad (<i>Urban Water Africa Region, World Bank</i>)	What is the problem? Status and analysis Focusing on the MDGs in water and sanitation -- What are we missing?	
10:30	Morning Tea				
	Room	Seminar Room 1	Elisa Simpson Conference Room	Anne Tate Seminar Room	Seminar Room 4
		INSTITUTIONAL SUSTAINABILITY	FUNCTIONAL/ENVIRONMENTAL SUSTAINABILITY	BEHAVIOURAL CHANGE & SOCIAL SUSTAINABILITY	FINANCIAL SUSTAINABILITY
		Facilitator Regina Souter (<i>IWC</i>)	Facilitator James Wicken (<i>WaterAID</i>)	Facilitator Juliet Willetts (<i>ISF/UTS</i>)	Facilitator Dominick DeWaal (<i>World Bank</i>)
11:00	Concurrent Sessions	A2A National Institutions Chair: Darren Saywell (<i>IWA</i>) Ha Thanh Hang/Le Thieu Song (<i>Government of Vietnam</i>) Institutional sustainability and cross-sectoral coordination for effective delivery of RWSS Pascal Karemera (<i>WV Rwanda</i>) Community Based Environmental Health Promotion Program	A2 B What is the problem? Chair: Peter Dwan (<i>WaterAid</i>) Harold Lockwood (<i>Aquaconsult</i>) Broken pumps and pipes – why the rural water sector has failed to delivery truly sustainable services and how to fix it Jackson Wandera (<i>SNV South Sudan/Kenya</i>) A persistent challenge: Functional rural water supply services John Donnelly (<i>RMIT</i>) In search of sustainability: Looking for sustainability through ex-post evaluation of community-level WatSan/WASH projects	A2C Planning for sustainable behaviour change Chair: Juliet Willetts (<i>ISF/UTS</i>) Dr Val Curtis (<i>London School of Hygiene & Tropical Medicine</i>) Why hygiene is important and sustaining behaviour change – Session Introduction Christine Sijbesma (<i>IRC</i>) Planning sustainable behaviour change: Insights and challenges Antoinette Kome (<i>SNV</i>) Anchoring innovative behaviour change communication for hygiene in local organisations and local context Diane Cousineau (<i>IWC</i>) Using FOAMS: A look at hygiene programming in the Pacific	A2D Big picture: What will it take to achieve sustainable financing? Chair: Jose Luis Irigoyen (<i>World Bank</i>) Catarina Fonseca (<i>IRC</i>) Shifting to life-cycle costing Almud Weitz (<i>WSP</i>) Economics of sanitation Panelists: Isobel Davidson (<i>WSSCC</i>) Prof Meera Mehta (<i>Finance specialist</i>) Junaid Ahmad (<i>World Bank</i>) Marcus Howard (<i>AusAID</i>)
12:30	Lunch				

14:00	Concurrent Sessions	<p>A3A Regional institutions: Challenges of decentralisation for WASH service provision</p> <p>Chair: Dr Laila Smith (<i>AusAID South Africa</i>)</p> <p>Harold Lockwood (<i>Aguaconsult</i>) Decentralisation of rural water provision: Moving towards the solution or out-sourcing the problem?</p> <p>François Brikké (<i>formerly UNICEF</i>) Regional institutions: Challenges of decentralisation for WASH service provision in Indonesia</p> <p>Bimal Tandukar (<i>SNV Nepal</i>) Practical entry points for improving governance for rural sanitation and hygiene outcomes</p> <p>Erik Harvey (<i>WaterAid</i>) New approaches required for sustainable WASH services in emerging small towns</p>	<p>A3B Optimising community management of rural WASH</p> <p>Chair: Isabel Blackett (<i>WSP</i>)</p> <p>Richard Carter (<i>WaterAid UK</i>) Optimising community management of rural WASH</p> <p>Trevor Nott (<i>RWSSP PNG</i>) Promoting sustainable WASH Projects in PNG</p> <p>Brian McIntosh (<i>IWC</i>) An analysis of scale and technology in rope-pump piston manufacture and supply in Sub-Saharan Africa</p> <p>Rod Jackson (<i>WV</i>) Community-based sustainable WASH facilities</p>	<p>A3C Assessing hygiene behaviour change</p> <p>Chair: Megan Ritchie (<i>SNV</i>)</p> <p>Christine Sijbesma (<i>IRC</i>) Quantitative monitoring of qualitative data: Empowering communities and informing institutions</p> <p>Muchanyara Jarawaza (<i>GRM International</i>) The use of a Hygiene Index in measuring hygiene behaviour change in Zimbabwe</p> <p>Rebecca Psutka (<i>Univ of Otago</i>) Boiling drinking water in peri-urban Zambia</p>	<p>A3D Strengthening public sector financing of service delivery</p> <p>Chair: Junaid Ahmad (<i>World Bank</i>)</p> <p>Dominick de Waal (<i>WSP</i>) Sustainable financing in Africa: What do the Country Status Overviews tell us?</p>
15:30	Afternoon Tea				
16:00	Concurrent Sessions	<p>A4A Capacity building</p> <p>Chair: Brian McIntosh (<i>IWC</i>)</p> <p>Dr Darren Saywell (<i>IWA</i>) Mind the Gap! Country-wide capacity assessments and their implications</p>	<p>A4B Climate change, water resources, and eco-sanitation</p> <p>Chair: Khairul Islam(<i>WaterAID</i>)</p> <p>Stuart White (<i>ISF- UTS</i>) Development and urban infrastructure: a sustainability perspective</p> <p>Andrew McMillan (<i>EWB Nepal</i>) Tools and tips from a Nepal pilot project inform effective roll-out of rural community water safety planning</p> <p>Matthew Inman (<i>CSIRO</i>) Climate Adaptation through sustainable urban development: A case study on integrated urban water systems in Can Tho, Vietnam</p> <p>Judy Hagan / Michael Brown(<i>EWB</i>) Designing for sustainable sanitation: Floating toilet case study</p>	<p>A4C Factors affecting sustainability of hygiene behaviour change in communities and schools</p> <p>Chair: Keryn Clark (<i>BESIK</i>)</p> <p>Shreya Bajimaya (<i>Nepal Engineering college</i>) A sanitized traditional town, Siddhipur Nepal</p> <p>Faruqe Hussain (<i>ICDDR Bangladesh</i>) Piloting promotion of low-cost sanitary hardware for sustainable disposal of child and animal feces in rural Bangladesh</p> <p>Paul Lewthwaite (<i>Live and Learn</i>) Improved sanitation behaviour through sanitation businesses in the Pacific</p>	<p>A4D Alternatives to public sector financing</p> <p>Chair: Dominick de Waal (WSP)</p> <p>Prof Meera Mehta Leveraging Non-Public Resources</p> <p>Robert Apunyo Commercialization of public toilets in Bulawayo City, Zimbabwe</p> <p>Larry James (<i>Skyjuice Foundation Inc</i>) Looking beyond centralised service delivery</p> <p>Jeffrey Goldberg (<i>WaterSHED Asia</i>) Partnerships to facilitate improved financing for water and sanitation: Cambodian case study</p> <p>Minh Chau Nguyen (<i>EMW</i>) Cash on delivery: Innovative financing to achieve sustainability in the wash sector (Vietnam)</p>
17:30	Close				
17:45	POSTER SESSION in Delegate's Lounge (with drinks)				
19:00	CONFERENCE DINNER				
22:30	Close				

TUESDAY					
8:30	Registration				
9:00	Opening Plenary	B1 Dr Val Curtis (London School of Hygiene and Tropical Medicine) Behaviour change – the white elephant Jaehyang So (WSP World Bank) How will we reach scale?			
10:30	Morning Tea				
	Room	Seminar Room 1	Elisa Simpson Conference Room	Anne Tate Seminar Room	Seminar Room 4
		INSTITUTIONAL SUSTAINABILITY	FUNCTIONAL/ENVIRONMENTAL SUSTAINABILITY	BEHAVIOURAL CHANGE & SOCIAL SUSTAINABILITY	FINANCIAL SUSTAINABILITY
		Facilitator Regina Souter (IWC)	Facilitator James Wicken (WaterAID)	Facilitator Juliet Willetts (ISF/UTS)	Facilitator Dominick DeWaal (World Bank)
11:00	Concurrent Sessions	B2A Institutions and communities Chair: Richard Carter (WaterAID) Stephen Purvis (Centre for Appropriate Technologies, Australia) When money is no object: Water infrastructure and appropriate technology in remote indigenous Australia Janina Murta (IWC) The challenge of sustainable rural water supply: a case study in Timor-Leste John Bosco Isunju (UNESCO-IHE) Institutional aspects of slum sanitation : Implication of multiple actors Khairul Islam (WaterAid Bangladesh) Part-time job of volunteer? Dilemma in Sustainability	B2B Rural and Urban Sanitation Chair: Anne Joselin (AusAID) Kamal Kar (CLTS Foundation) Almud Weitz (WSP) Isabel Blackett (WSP) Sanitation options for challenging environments Naomi Carrard (ISF) Towards sustainability for urban sanitation: Selecting fit-for-purpose systems in Can Tho, Vietnam Freya Mills (ENPHO) Ongoing performance and best practices of decentralised wastewater treatment systems in Kathmandu	B2C Gender and social inclusion: Supports to sustainability in WASH Chair: Rosie Wheen (WaterAID) Dustin Barter, Gaetano Romano and Golam Morshed (Oxfam) Gender in WASH: Communication and sustainability Juliet Willetts (ISF/UTS) Working effectively with women and men to improve the sustainability of WASH programs Cameron Davidson (IWC) Water and gender: A dynamic relationship in Bedouin communities of Israel, Jordan and the West Bank Chim Chikusa, Rod Jackson (World Vision) Development of sustainable WASH solutions for rural people with disabilities – WAWI Mali Study	B2D Financing sanitation Chair: Isobel Davidson (WSSCC) Eddy Perez (WSP) - What financing mechanisms work in large scale sanitation programs?
12:30	Lunch				
14:00	Concurrent Sessions	B3A Supporting entrepreneurship & public/private collaboration Chair: Danielle Pedi (WaterSHED) Cordell Jacks (IDE-Cambodia) Igniting sanitation markets: Thinking like a business, not an NGO Aun Hengly (WaterSHED Asia) Selling sanitation in Cambodia: How a 'hands-off' approach to market development is increasing rural sanitation access Phetmany Cheuasongkham (SNV Laos) Sanitation supply chain development: The missing link in rural sanitation and hygiene	B3B Sustainability monitoring Chair: Christine Sijbesma (IRC) Harold Lockwood (Aquaconsult) Changing the monitoring narrative for rural water services Erik Harvey (WaterAID) WaterPoint Mapping Umesh Pandey (NEWAH) / Ashutosh Tiwari (WaterAid Nepal) Long-term sustainability monitoring in Nepal Emily Christensen Rand (Oxfam) Using geo-coded images to increase transparency and sustainability in WASH programs	B3C Hygiene promotion at scale and private sector marketing Chair: Marcus Howard (AusAID) Isabel Blackett (WSP) Hygiene promotion at scale and working with the private sector Ivo Guterres/Heather Moran, (BESIK) Volunteering for water, sanitation & hygiene improvements in Timor-Leste Dr Val Curtis, (London School of Hygiene & Tropical Medicine) Review of the 'Behaviour change and social sustainability' stream	5 B3D Moving to financially sound utility and local government financing Chair: Darren Saywell (IWA) Dr Enamul Kabir & Mahmudul Ahsan (HYSAWA) Financing local overnance for Sustainable Hygiene, Sanitation and Water Supply: HYSAWA Model Naseer Gillani (Planning Commission Group) Water Supply and Financial Sustainability in Islamabad
15:30	Afternoon Tea				
16:00	Closing Plenary	B4 Prof Richard Carter (WaterAid) Integrating themes of sustainability			
17:00	Close
